

For sale Under Construction 2 bedrooms apartments in Agios Spyridonas area, last units available #1086

€235,000 +VAT

The apartment is located in Limassol, Cyprus's international financial and cultural hub, in a three-story structure.

With its urban Mediterranean design, the building features spacious interiors, alluring finishing touches, interior comfort, and inviting verandas for relaxing.

There is a major supermarket nearby, along with other significant businesses like ship management firms and a local school that can be reached on foot. The Limassol Marina, the city's port, its shopping mall, and the forthcoming casino resort are all within a short drive from the property.

The building's excellent location, which makes it convenient for the owners to access a wide range of amenities in Limassol, is another advantage for the owners.
